Enrichment Rounds

UNECOM core clerkship medical students may opt to schedule enrichment rounds. Students on *Internal Medicine* and *OB/GYN* rotations will report to their enrichment round Wednesday mornings. Students on *Psychiatry* and *Surgery* rotations will report to their enrichment round on Thursday afternoons. There is no enrichment for students on *Pediatrics*. Enrichment rounds must be scheduled one rotation in advance and are on a first-come/first-serve basis. Please see due dates on page 2 of this form. **If an enrichment round has been scheduled for a student, that student must attend the enrichment round.** An absence from, tardiness to, or leaving the enrichment round early violates the attendance policy. If a student has not scheduled an enrichment round, that student **must** report to the regularly scheduled clerkship rotation Please return this form to Amelia Thompson at athompson4@echn.org or MMH Room 1419.

Student Name: _____ **Date:** _____

Rotation: _____

Based on your assigned rotation, please select your choice of enrichment round:
